

SOCAPS Middle East

Rouen, the 19th of October, 2017

SOCAPS MIDDLE EAST - NEW OFFICE IN DUBAI

At a time of market expansion in the Middle East, SOCAPS Middle East in Dubai responds to the will of SOCAPS, the world leader in technical assistance for packaging machinery, to develop its trade relations in the region.

In addition to a greater proximity to customers, SOCAPS Middle East will be able to offer one of the best solutions of technical coverage in terms of product know-how, diversity of skills and geographical coverage in the Middle East region.

SOCAPS Middle East in Dubai will also provide a significantly improved solution in order to increase reactivity and save costs (reduced visas issues, solve the language barrier, increase country risk safety) to be the perfect solution with local teams and global structure (insurance, safety plans, logistics...).

ABOUT SOCAPS : TALENTED INDUSTRIAL SOLUTIONS

SOCAPS is a global technical service provider with its headquarters in France.

SOCAPS offers, to its' wide range of industrial customers continuous assistance throughout the different stages of the machine life cycle, from the engineering stage (design, studies, supervision) to the production (mechanical construction, electrical cabling, piping and welding) and on-site interventions (installation, start-up, maintenance).

Over the last 30 years, SOCAPS has developed major experience in the food and beverage, cosmetics and pharmaceutical sectors, mainly in the packaging industry. As such, SOCAPS is the world leader in technical assistances for constructors of packing machinery.

SOCAPS integrates all the necessary skills (designers, project managers, mechanics, electricians, electro-mechanics, field service engineers, programmers, welders etc.) in order to offer its customers a complete access to a wide range of skills that are adapted to their needs.

SOCAPS is also widely present across France and throughout the world thanks to our network of over 500 technicians spread out across the main industrial worldwide hotspots (40 countries) and 12 agencies over 4 continents (Europe, Asia, America, Africa), in France (Rouen, Paris,

Nantes, Grenoble), Atlanta (USA), Sao Paulo (Brazil), and Cape Town(South Africa), Beirut (Libanon), Cairo (Egypt), Dubai and Singapore.
