MISSION DRIVEN COMPANIES

On June 24, 2021, the General Assemblies held in parallel between SOCAPS S.A., cooperative company and SOCAPS GROUP S.A.R.L., a commercial company, unanimously approved the proposals allowing each of the entities to write down a Mission in their Articles of Incorporation.

This quality of Mission Driven Company is reflected in the transcription in our statutes of a common Purpose and statutory Impact objectives which, together, form the Mission that we assign ourselves.

This Mission will be monitored by the Mission Committee of each company whose work will be audited by an Independent Third Party.
